

The diagram illustrates a template for a 14x19 cm photo layout. It features a large light blue rectangle representing the 'pole czarne' (black field), which is the total size of the layout file including crop margins. This rectangle is surrounded by a red border representing the 'pole czerwone' (red field), which is the final size after cropping. The dimensions are as follows: the black field is 286 cm wide and 194 cm high; the red field is 280 cm wide and 190 cm high. The margins between the black and red fields are 5 cm on the top, bottom, and sides, and 10 cm on the left. The text 'KAC 14x19' is printed in the bottom right corner of the black field.

pole czarne = rozmiar pliku rozkładówki, razem z nadmiarami do obcinania

pole czerwone = rozmiar finalny rozkładówki, po obcięciu

pole niebieskie = obszar, poza którym prosimy NIE UMIESZCZAĆ istotnych elementów kompozycji (logotypy, napisy i znaki, twarze itp.), a także - przy krawędziach - ramek fotografii
